LOVE, LAW, MURDER AND MYSTERY

Back after an extended hiatus, an attorney must find it within herself to navigate and succeed in a world where grossly confident men grandstand in gold jewelry, private investigators are always listening, and judges are not honorable—a world where people aren't at all who they seem to be.

THE ASSOCIATION has just been selected as a finalist in the legal thriller category by the NATIONAL INDIE EXCELLENCE AWARDS for 2019.

You can meet the author and receive a free signed copy of her book in her exhibit booth numbered 652, on the Chapter One Stage on Saturday, June 22 at 2:00 p.m., or at the Meet the Authors Autographing Area on Sunday, June 23 at 10 a.m.

Beautiful custom-designed library editions will also be available for purchase.

We look forward to meeting you all. Thank you.
